

2023 Blood Draws at Pine Creek Family Medicine

345 E. Central Ave

Jersey Shore, PA 17740

Phone: 570-873-3440 Fax: 570-873-3572

We are proud to offer **Self-pay Blood Draws** to our **Non-Patients**.

- Participants must have an order from a doctor or other qualified medical provider (Nurse Practitioner, PA). These can be the provider's order, or use the attached form.
- We do not submit bills to insurance. (So ICD 10 codes are **not** needed for labs.)
- Payment must be received at the time of service. Cash or Credit Card. You can use your HSA (Health Savings Account).
- Call us to make a lab draw appointment: 570-873-3440
- Please ask your doctor to fax us the lab order. Or make sure we have the order a few days before your appointment, so we know what we will be drawing.
- We will receive most results within 2 to 3 days of the blood draw, forwarding results to the ordering provider. We do not release results to the patient.
- Tests are processed through LabCorp, an international company.
- Use of our blood draw services does NOT constitute a doctor-patient relationship with Pine Creek Family Medicine.
